

# Montreal

## Montreal Schedule 2021 (Revised due to COVID-19)

The Diplomate in Clinical Chiropractic Pediatrics (DICCP) is a Board Certified credential for licensed doctors of chiropractic in the specialty of pediatrics and pregnancy. To get the DICCP credential DCs must complete the full course, co-sponsored or administered by a CCE-accredited chiropractic institution in coordination with the ICA Council on Chiropractic Pediatrics and pass the DICCP Board Certification examination, both oral and written, conducted by the International College of Chiropractic Pediatrics (ICCP), the testing body for the DICCP.
